Dedication

The student government of Pullman High School is one of the outstanding assets of the school. Without such an organization of the students, this annual would probably never have been successfully created in 1940, because the school was small and was publishing a school paper. For the development of this student government, and for the many benefits the students receive from it, we are greatly indebted to one man, Mr. Gladish.

We wish to dedicate this seventh volume of the Kamiaken to our principal, Mr. Gladish, for the sound guidance and generous assistance he has given our student government.

The School Board

The school board is launching a program of expansion. They plan to build a new auditorium, library, offices and class rooms, and possibly a a new gym to complete the high school plant. Another item which concerns the high school is the purchase of \$7000 worth of equipment for the shops and science department. These improvements have been proposed before, but have been delayed by the war.

When we realize that the administration of this program is only one of the duties of the school board we begin to appreciate the magnitude of the work they do so capably.

Charles A. McGlade

Superintendent Speaks

With the closing of the school year of 1945-46, another chapter is written in the history of Pullman High. In spite of unsettled conditions throughout the nation and the world, it has been a good year. Gains have been made all along the line—in increased knowledge, in stronger bodies and better health, in improved habits of work and study, in deeper appreciations of beauty and worth, in clearer concepts of democracy and additional practice in it, in successful participation in activities of every type, in having fun together.

Such is the high school—the peculiarly American institution, open and free to all. Such especially is the Pullman High School, where student and faculty control blend in a harmonious and efficient whole.

Good wishes to all.

CHARLES A. McGLADE

Principal Speaks

Nature has given each one of us some kind of power to take from our environment the qualities that enable us to range from benefactors on the one hand, to liabilities on the other. There is no guarantee that anyone will be better fitted to live harmoniously and beneficially because he has gone to school here. One only has the opportunity. He may accept its challenge, or he may reject it.

Senior Class

The class of '46 started its career in Pullman High School by traditionally losing the Frosh-Soph Fight. Recovering from this, they gave a lively Frosh-Soph Party which gave them a reputation for ingenuity. As Sophomores the class began to fight among themselves, but as Juniors they combined forces to give a Junior-Senior Banquet that broke all records. That year it also won the Booster Parade and gave an All-Hi Play, "The Late Christopher Bean." This year it has sponsored another All-Hi Play, "Don't Take My Penny."

STUDENT GOVERNMENT

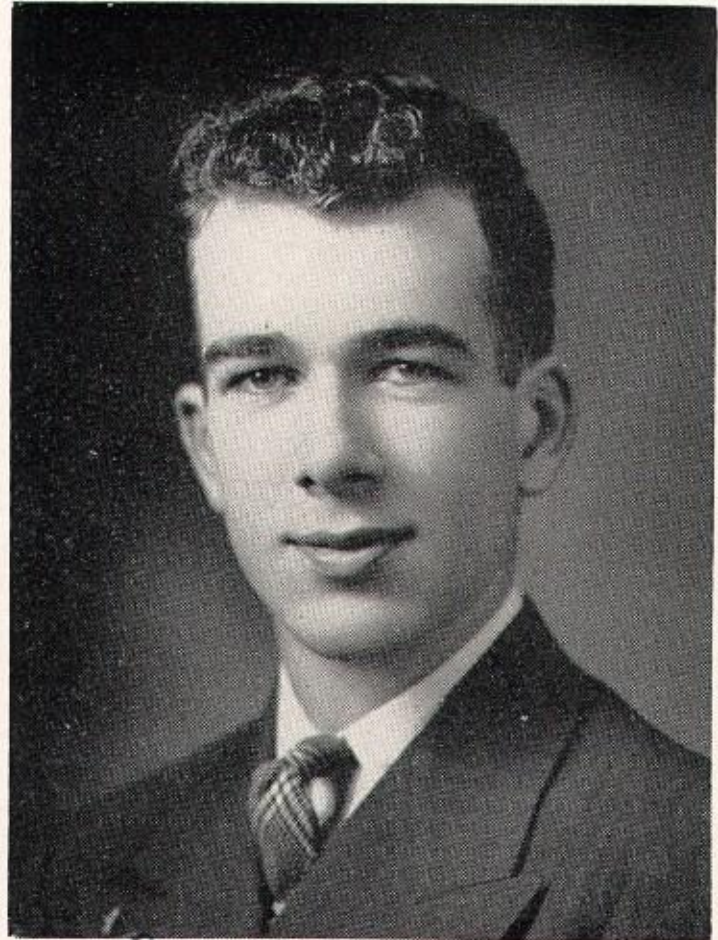

III

A Warning

To the average student at Pullman High School student government means that every boy and girl has a say in student affairs, whether it be in a P.H.S.S.A. meeting, in Committee of the Whole House, in Forum, or in one of the several committee meetings. The majority of us began high school here in Pullman as freshmen and have been accustomed to the prerogatives which are ours. Our exclusive student privileges, for they are exclusive when compared with those of other schools, are to be cherished and protected. Through the privileges and responsibilities that are ours, let us not develop an arrogant immaturity towards our teachers, which could possibly lead to the disintegration and termination of our student government. Cooperation minus egotism is the nucleus of good government.

Student Council

The capable Executive Council again justified the faith placed in it by administering student affairs efficiently and justly. Among its numerous duties is keeping the constitution and by-laws up-to-date. The recorder made a complete survey of all old amendments and this resulted in the formation of an up-to-date constitution. This was done for the first time in six years.

Other Council duties are to schedule all events so as to avoid conflicts and to sponsor programs, social events, and drives for the school.

Upon request of the P.H.S.S.A. the Council made a thorough investigation of the Pep Club and offered suggestions for changes which resulted in a revised Pep Club constitution.

The Council appoints the Student Control, Fire Patrol, Athletic Council and the staffs of the Kamiaken and Hi Times, and must approve the budgets of all organizations chartered under the P.H.S.S.A.

All these duties make the Council the key to successful operation of our student government.

Every Wednesday during home room period all the students meet in the assembly for an informal session where the minutes of the Council, Control, Forum and Athletic Council are read. This Committee of the Whole House serves to keep students informed about the rules and discussions of their government, and enables them to pass resolutions informing the organizations of their sentiments on the issues concerned.

We of the Kamiaken staff with our adviser, Mr. Wilson, present this seventh volume of the Kamiaken to the Associated Students of Pullman High School.

Better conditions brought by the end of the war have enabled us to institute some changes and to give you a bigger book with more pictures. In this volume, we have attempted to portray not only the structure of the school and its student activities, but also the spirit of the school. We hope we have accomplished this thoroughly so that it will be increasingly valuable in the future as a record-book of the year 1945-'46.

FOOTBALL REVIEW

This year the Greyhounds finished what might be considered a hard-luck season. Besides lacking in experience the '45 club was one of the lightest in history. Using both double wing and a new T formation, the Hounds displayed outstanding potentialities on numerous occasions.

Nevertheless, the Pullman boys upheld the tradition of maintaining the fighting spirit at all times.

PULLMAN 6-PALOUSE 13

The Greyhounds went down to humiliating defeat in the first game of the season to a scrappy, spirited Palouse eleven. Pullman completely outplayed Palouse in every department except scoring. Pullman's new backfield made its debut in this game, therefore the results were costly. This was a nonleague encounter and provided good experience for later games. Pullman's only touchdown came when Morrison blocked a punt and Armstrong fell on it for the score.

PULLMAN 0-CLARKSTON 6

A determined Pullman team fought bitterly against the Clarkston Bantams in a night game at Bengal Field. After putting up a game fight, the Greyhounds could not check a scoring drive late in the first half which dumbfounded the Pullmanites. Pullman could not get their offensive rolling, but put up a very strong defense most of the game. Jim Berger and Dick Morrison played a whale of a game on defense, while Mizuki, Arnold and Bashaw also turned in a remarkable game.

PULLMAN 6-DAYTON 7

Pullmans' third loss was by a heartbreaking one point at the hands of the Dayton Bulldogs. The Bulldogs produced seven points early in the first quarter. The Hounds came back in the second canto, as Bill Mizuki bucked over. Pullman's pass for the point was completed out of bounds. The Greyhounds lacked the zip to produce a winning touchdown as the Dayton outfit protected their one point margin through a scoreless last half.

PULLMAN 27-POMEROY 6

The Greyhounds finally belted their way to a crushing victory over the Pomeroy Pirates at the Pirates' lair. This was an important win for the Hounds because it paved the way to later victories. Among the stars of the game were Bill Mizuki, Stuart Maxwell and Bob Smawley. Bob made two touchdowns.

PULLMAN 58-POTLATCH 0

Bringing into use power-plunging and accurate passing, the Greyhounds ran a belated Logger outfit ragged in tremendous triumph. This was the Greyhounds' second consecutive win. Coach Mattila used every player on the roster as the second and third strings played most of the game. Jack Arnold, Ronnie Groth, Wendell Klossner, Brick Bashaw and Bob Smawley contributed most of the points in racking up this win.

PULLMAN vs. CENTRAL VALLEY

Coach Mattila

Our Coach

To our coach, Bob Matilla, we give our sincere thanks. He has made enviable records in his past four years as Head Coach in football. His chief accomplishment on the gridiron this year was to change a green team to one of championship caliber at the end of the season. Coach Matilla sought a winning eleven, but insisted on good sportsmanship both on the field and off. He also produced a top-flight basketball team from relatively short material. Because of his excellent background he develops exceptional P.H.S. tracksters.

PULLMAN 0-LEWISTON 12

This game was considered by many the best the Greyhounds played all season. Lewiston passed for a quick touchdown in the first quarter and soon passed again; this time plunging over after a series of plays. Pullman threatened when a Brenner to Blankenship pass combination clicked for 50 yards and almost a touchdown. It is quite likely the Greyhounds would have gone on to score had not the half ended. In the second half, it was all Pullman, as the Greyhounds pushed the heavier Bi-State champs all over the field. Mizuki (and Maxwell) continually went rolling through the Bengal line for numerous gains. Several times the fighting Hounds were turned back a few yards short of the goal.

PULLMAN 25-RITZVILLE 6

Looking for new fields to conquer, the Hounds went 120 miles to flog the Ritzville Broncs, Champions of Adams and Benton counties. Pullman played heads-up ball all the way, with Klossner capitalizing on a Bronc fumble to score. Mizuki, Blankenship and Bashaw scored the other touchdowns. A scrappy little team, Ritzville satisfied themselves by scoring on a pass. Maxwell and Smawley and Armstrong played bang-up ball.

PULLMAN 6-MOSCOW 7

In a freezing blizzard, the Greyhounds slipped to another one point defeat. Looking much like the masters throughout the game, the Hounds saw their 6 point lead dwindle to nothing as a Moscow scat-back broke away at midfield and raced unmolested on the slippery turf to score. Shortly afterwards, the Bears ran over the deciding one point.

The Pullman gridsters scored early in the second quarter after a powerful drive down the field. Bill Mizuki plowed through to score.

PULLMAN 0-CENTRAL VALLEY 6

In another evenly matched tussle, Central Valley pushed over a lone tally in the second quarter which stood foremost. The fighting Greyhounds turned in a great game which rang down the curtain for the '45 season. Long remembered will be Jack Arnold's last second pass to "Ace" Klossner who sprinted 40 yards only to be tackled on the 8-yard line as the gun sounded.

"It's not whether you won or lost, it's how you played the game." For many seniors, this was the last football game they will ever play. This season was something to remember.

BOB BASHAW—Fullback-Frosh. "Brick" played the firebrand type of ball. His specialty, line plunging, will be needed next fall.

JOHN STALEY—Halfback—Sophomore. One of the best punters on the team, he had what it takes. Johnny will be back to fool them again next year.

TOM BOONE—Guard—Junior. One of the hardest hitters on the team, Tom had the fire and zip that means business.

KEN LOWERY—Tackle—Senior. Although he didn't see much action, Ken played hard when he was called on to.

DON DOYLE—Center—Senior. "Flash" is finished. What he wouldn't have done in another year.

Captains

CAPTAIN BOB SMAWLEY—End—Senior. Bob could really haul them out of the stratosphere. This was his second year of first string ball.

CO-CAPTAIN DON CARVER—Center—Senior. "Bones" enjoyed a great season. Named Bi-State Center—best in the league by a country mile.

WENDELL KLOSSNER—End—Senior. Another flankman who won't be around next year. We won't forget his pass catch and run against Central Valley, good for 68 yards.

ALAN STEWART—Tackle—Senior. A pillar of power in the Greyhound forward wall. Big Al played a hard sixty minutes in every game. Bi-State Honorable Mention.

DAVE ARMSTRONG—Tackle—Junior. Many of the rival ball carriers wished they hadn't felt this hard-charging lineman crush their frames. "Iron man" Dave will be greatly missed by the team.

DICK MORRISON—Guard—Junior. "Colonel" played hard where he was needed most. His last year should be his best.

JIM BERGER—Guard—Junior. Don't worry about the guard spot, folks! Here's another scrapper who'll be back.

LLOYD BRENNER—Quarterback—Senior. "Nuts" switched to the backfield this year and did an excellent job. The senior list is a long, sad one.

STUART MAXWELL—Fullback—Senior. Wham! "Salem" hits the line. He had a combination of brawn and brains to be a credit to any team.

JACK ARNOLD—Halfback—Senior. One of the shiftiest backs in the league, "Jackson" made the team his first and last year.

BILL MIZUKI—Halfback—Junior. Mizuki proved a headache to opposing tacklers. He'll be back for the '46 club. Named Bi-State Honorable Mention.

TOM BLANKENSHIP—Halfback—Junior. One of the fastest backs who ever donned the Blue and Gray. Tom was named Bi-State Honorable Mention.

A SQUAD—FIRST ROW: Virgil Dixon, Lloyd Brenner, Don Carver, Bob Smawley, Jack Arnold. SECOND ROW: Bruce Chambers, Duane Wiggins, Paul Gass, Harvey Barton, Bill Johnson, Coach Mattila.

Cage Results

The Pullman Greyhounds played the toughest and longest basketball schedule that has confronted them in many seasons. Led by five seniors and Captain Don Carver, the Greyhounds won about half of their games. Strong defensively, but not so strong on the offense, the Hounds were troubled with their lack of height. Nearly every team they were matched against had the edge in height and the Hounds had to make up for this in skillful floor play. Possibly the most remarkable showing Pullman made was when they trounced Moscow, one of the strongest teams in Idaho, by a good 23-16. However, the Hounds lost too many tournament games and were not eligible for the County Tournament.

The Hounds' big chance came when they went to the district tournament. In the first game with Clarkston the Hounds won a close, fast-moving battle. In the finals, against Walla Walla, the Pullmanites put up a strong fight in the first half, but waned in the second to be defeated and lose their chance to compete in the state meet.

Cagers Corner

CAPTAIN DON CARVER—Senior. Don played smart basketball in both of his two years on the A Squad. A good change of pace artist, he fed the ball on set-up plays.

BOB SMAWLEY—Senior. Another senior who played his last game. Bob was a pivot man of the first water.

LLOYD BRENNER—Senior. Playing consistently good basketball all season, Lloyd was high scorer. His long push shots proved a headache to rival coaches.

VIRGIL DIXON—Senior. Second high scorer, "Slick" was a deadly long shot expert. He was largely responsible for the Hounds' fine showing in the District Tourney.

JACK ARNOLD—Senior. Every team needs a good lay-in shot man; Jack proved exceptional for Pullman. He rounds out the quintet of senior hoopsters.

BRUCE CHAMBERS—Junior. "Speed" was the best and fastest dribbler on the team. Used frequently as a sub, Bruce's aggressiveness will be needed on next year's first string.

ALBERT HATLEY—Sophomore. A good shot as well as a smart ball handler, Junior should shine in future years.

PAUL GASS—Junior. "Lightning" never made much noise, but he played clever ball. He ranked sixth in scoring, behind the five seniors.

HARVEY BARTON—Sophomore. Small and fast, Harvey was often an A Squad substitute besides helping out in the B Squad games.

BILL JOHNSON—Sophomore. Another reserve with lots of scrap who saw lots of action on the B Squad.

DUANE WIGGINS—Junior. Although he didn't make many baskets, "Wig" was a dependable hoopster. If he develops his shooting eye, he will be hard to check next year.

B Squad

LEFT TO RIGHT: Wally Friel, Bob Bashaw, Charles Brock, Clifford Oldham, Dan Briggs, Richard Webb.

The B Squad of the Greyhound Hoopsters played the fullest and most successful season that they have played in a number of years. Under the careful direction of Coach Mattila, aided by Eugene Patterson, the B Squaders played steady ball and won about half of their contests. The Hounds swept the Endicott, Winona, and Potlatch series, but lost to Lacrosse, Pine City, Colfax, and Lewiston. Considering everything, this year was a success.

The team was made largely of freshmen and sophomores who worked together to form an efficient fighting squad. Leading in the scoring department was Al Hatley with 81 points. Close behind came Charles Brock with 77, Norman Ingram with 60, and Harvey Barton with 58 points.

This year's B Squad hadn't very much previous basketball experience, but the material was good, and will be better next year. Many of the B Squaders will be called upon to fill the depleted ranks of the A Squad, but there are many willing players that will swell the size of next year's basketball team.

Track

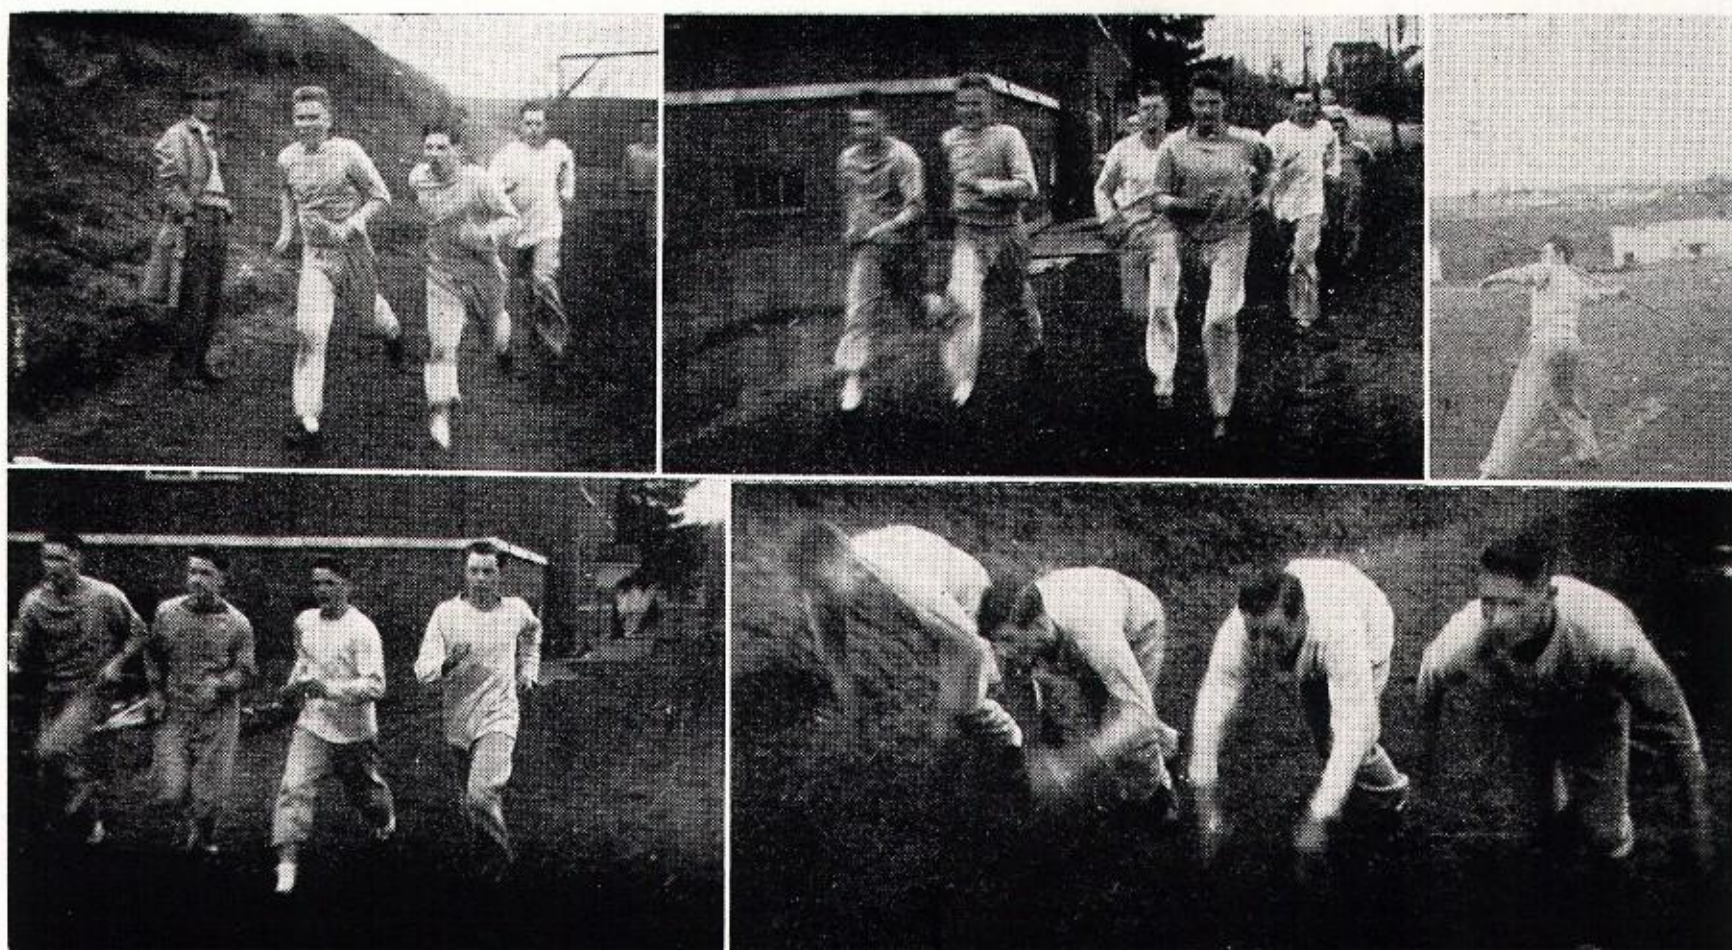

FIRST ROW: Wayne Christian, Ira Haley, Dale Keifer, Bob Campbell, Jerry Smith, Clifford Oldham. SECOND ROW: Coach Mattila, Jack Gleason, Jim Shea, Norman Ingram, John Moore, Paul Gass, Paul Palmer. THIRD ROW: Pat Hurley, Rodger Sayles, Virgil Dixon, Golden Cole, Dan Briggs, Sam Langmas, Jim Sweeney. FOURTH ROW: Don Doyle, Tom Boone, Tom Blankenship, Al Dunning, Mark Kimball. FIFTH ROW: Bob Bashaw, Al Hatley, Emmett Moore, Jim Smith.

1946 Track Prospects

As always, pre-season prognostication is extremely difficult. But from the purely consequential dope angle Pullman tracksters have as good a chance as any to make an excellent showing for their school.

When Coach Mattila sounded the call for track this spring, lettermen were as scarce as a desert oasis and experienced harriers were equally hard to find. However, about 30 boys started the season. Whether they will be very successful or not will be solved by the time the annual is published.

In the first test of competition, the A.A.U. meet at W.S.C., the Pullman lads did fairly well against the tough college teams, but failed to place. They should really give other schools a lot of trouble in the next meets which include a Moscow dual meet, B-State meet at Clarkston, and the annual Whitman county contest.

1945 Track Resume

Led by three senior lettermen, Tom Yoder, Jim Dayton and Bud Caine, the Greyhound harriers went through one of the best track seasons for a long while.

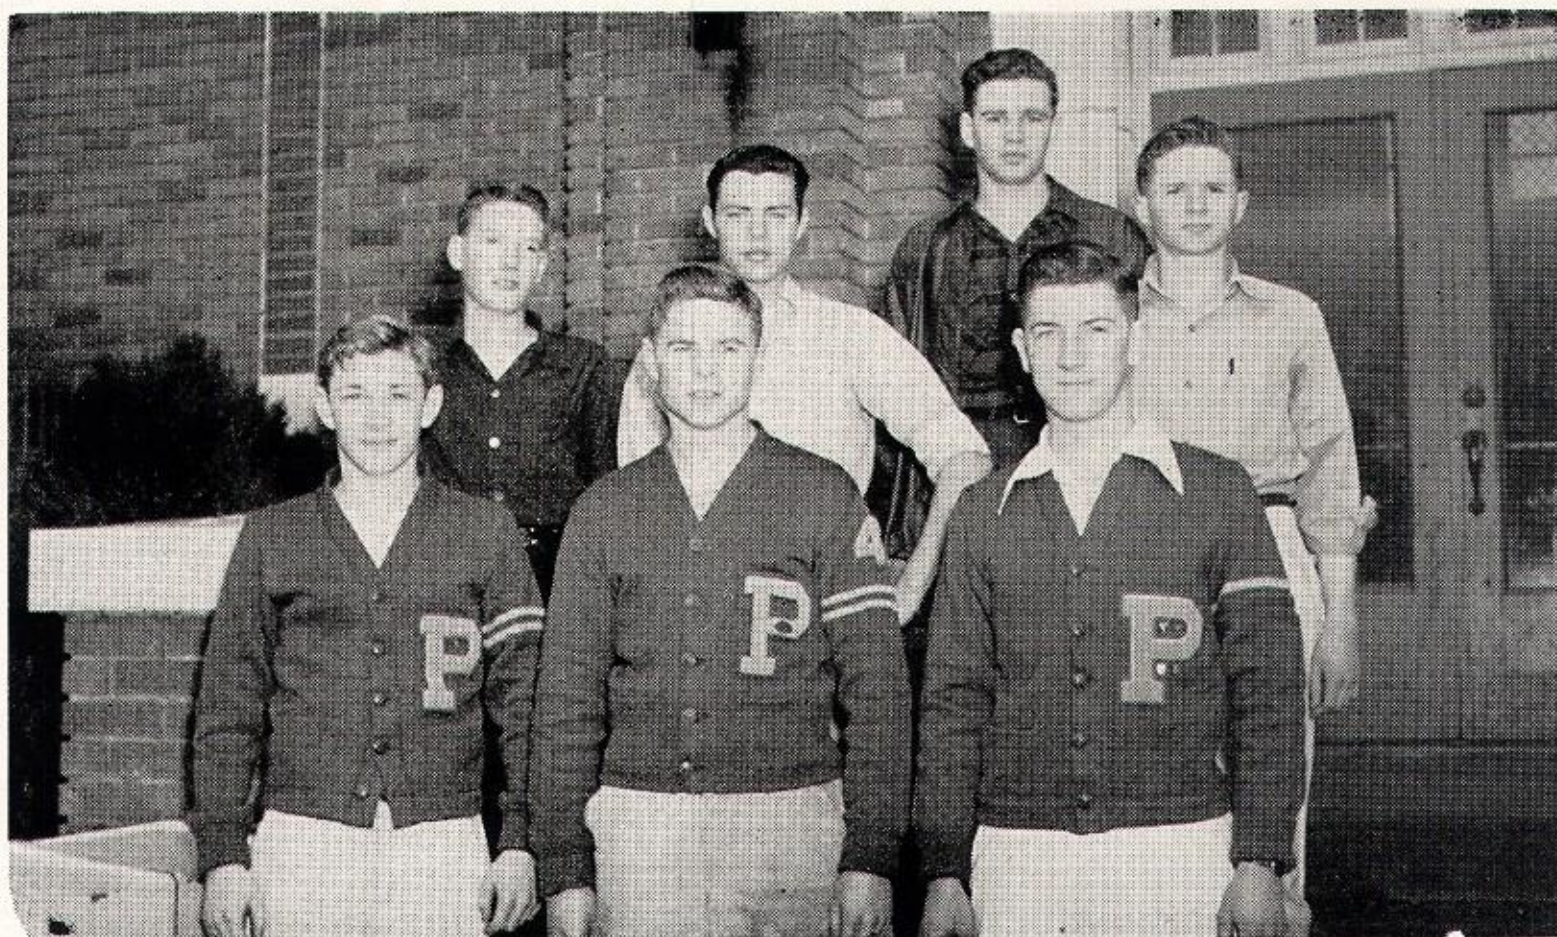

In the first test, a triangular meet at Moscow, Colfax and Moscow took first and second. Pullman couldn't get enough top-notch contestants in each event, so they placed third. A few Greyhounds were outstanding, nevertheless. They were, Tom Yoder who took first in both the 440 and high hurdles, and Dayton and Caine who took first and second in the discus. Caine hurled an undisputed first in the shot contest. Bob Lebold took fourth in the pole vault.

Out of a field of six teams, Pullman took third in the Bi-State meet. Yoder won the 440 and placed second in the high hurdles. Jim Dayton won the discus event. Virgil Dixon placed in the high jump. Caine won the shot again.

The County meet saw Pullman take second, while Colfax took top honors. Yoder and Lebold were first and second in the 440, respectively. Dayton and Caine, showing championship form, were again successful in their events. "Jug" McCroskey placed in the broad jump.

Later, the "Big Three" Hound track stars, Bud Caine, Jim Dayton, and Tom Yoder were entered and emerged victoriously at the District meet at Walla Walla. Caine grabbed first in the shotput, Dayton threw the farthest in the discus contest, while Yoder, who was slowed down by illness, took fourth in the 440 yard run.

Dayton and Caine were pitted against some very strong competition in the State Meet the following week. Both boys did quite well, so well, in fact, that Bud snatched a fourth place out of the close competition.

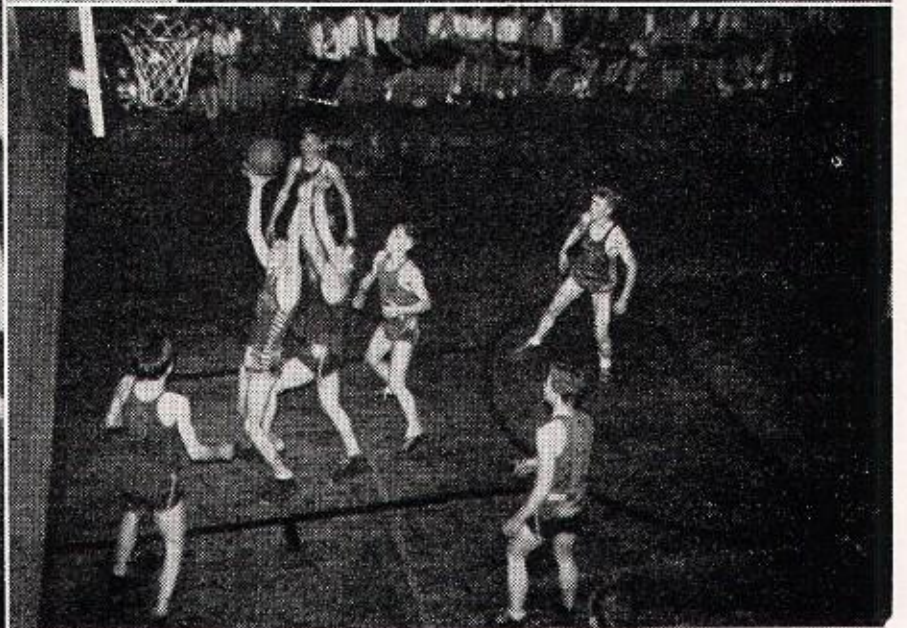

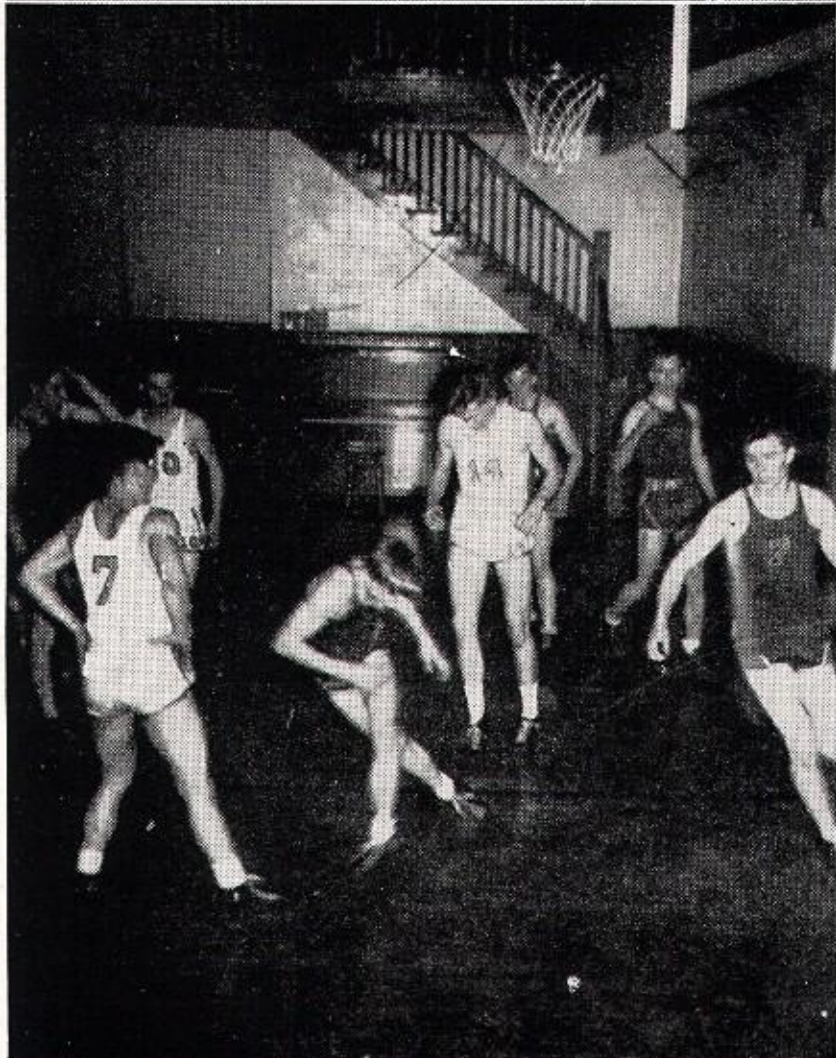

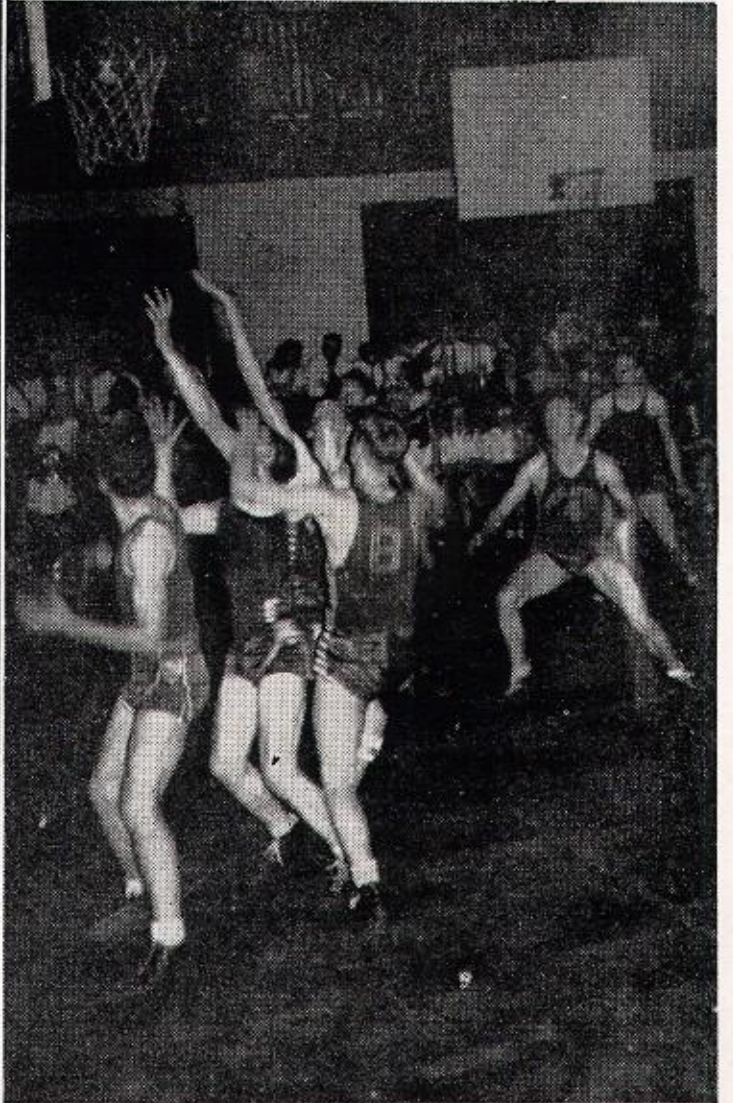

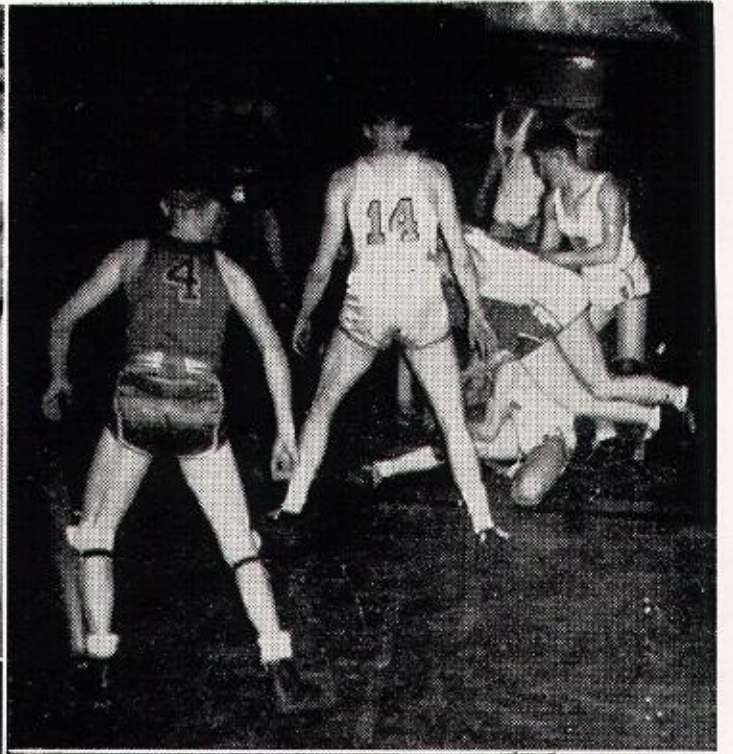

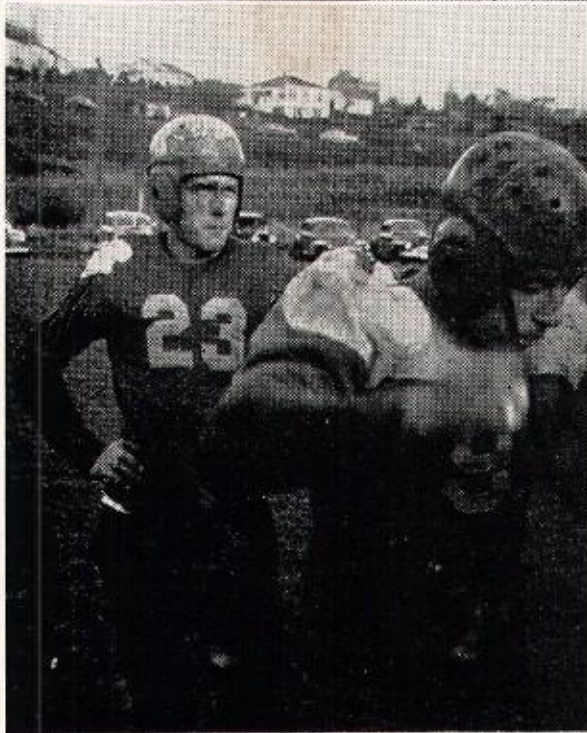

FIRST ROW: Bruce Chambers, Richard Morrison, Emmett Moore. SECOND ROW: Leland Ham, Franklin Jacobs, Jerry Simpson, Richard Webb.

Athletic Managers

The unsung heroes in the athletics department are the slaving managers. Whenever anything goes wrong or there is some work to be done, the managers swing into action.

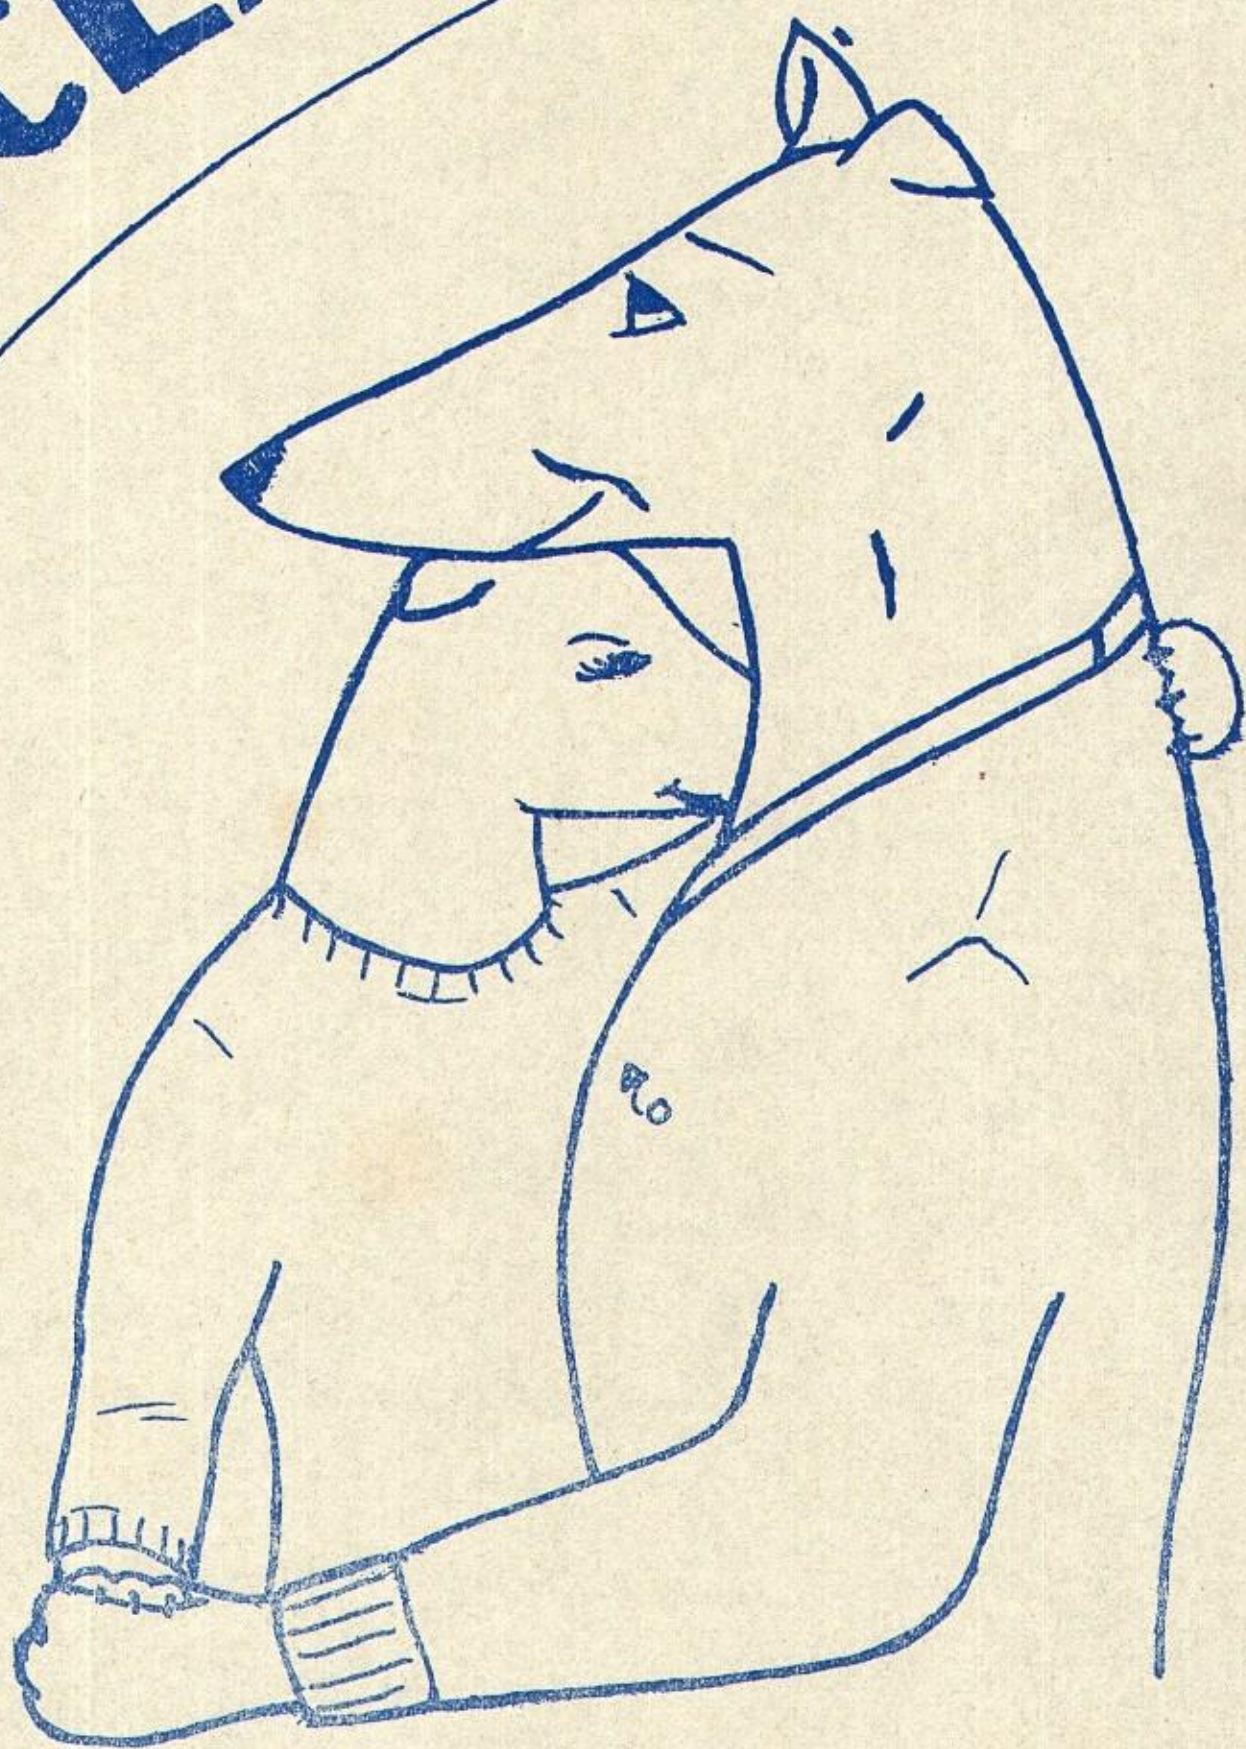

Emmett Moore, Bruce Chambers, and Leland Ham worked together as managers during football. If it weren't for Chambers' lusty cheering and Ham's faithful water carrying, the Hounds might not have come out so well as they did. Richard Morrison, Franklin Jacobs and Leland Ham worked together as basketball managers, while Richard Webb and Jerry Simpson took over for the track season. Bruce Chambers, Emmett Moore and Franklin Jacobs became senior managers this year, while Richard Morrison had earned his letter last year.

LaVerne Olson was born January 19, 1907. He lived on his father's farm west of Pullman and attended school in the Bryan district, coming to Pullman schools in the seventh grade.

During his years in high school, LaVerne distinguished himself by being vice-president of the student body, president of the Agriculture Club, a member of the stock-judging team, a football letterman, and a member of the band and orchestra. After a short illness, he died on January 12, 1925.

The Hi-Y Club, which LaVerne helped establish in Pullman, presented the LaVerne Olson cup in his memory.

Each year the LaVerne Olson Cup is awarded to the senior boy, who, in the eyes of the selecting committee, most nearly typifies the ideals of LaVerne Olson, whose memory inspires within us higher incentives for cleaner living, cleaner thoughts, cleaner speech, and cleaner athletics.
